

ORDINANCE NO. 85

AN ORDINANCE OF THE TOWNSHIP OF GREENE, PIKE COUNTY, PENNSYLVANIA, ESTABLISHING REQUIREMENTS FOR THE NUMBERING OF BUILDINGS AND NAMING OF STREETS

BE IT ENACTED by the Board of Supervisors of Greene Township, Pike County, Pennsylvania, as follows:

01. Title.

This Ordinance shall be known as the Greene Township Building Numbering and Street Naming Ordinance.

02. Findings and purposes.

The Board of Supervisors find that the police, ambulance and fire services must be able to quickly and accurately locate addresses of homes and business buildings on Township streets if they are to provide such services effectively and efficiently. The Board of Supervisors further finds that building identification numbers and street names are essential for this purpose and public safety in general. It is, therefore, the purpose of this Ordinance to establish a system of numbering buildings and naming streets on which there are located dwelling units or places of business so that police, ambulance and fire services can quickly and accurately locate their addresses in emergencies.

03. Authorization.

This Ordinance is authorized by Sections 1520, 1527 and 2329 of the Commonwealth of Pennsylvania Second Class Township Code.

04. Required street naming.

A. From and after the effective date of this Ordinance each existing or new street, whether public or private, shall be named and signed. This responsibility shall rest with the owner or owners of such streets. Such owner or owners, upon written notice from the Township Board of Supervisors shall within thirty (30) days select a name for any unnamed street, report the same to Board of Supervisors for approval and, within thirty (30) days of such approval, erect a sign of metal construction no less than six (6) inches in height with letters at least four (4) inches in height. Sign colors shall be in sharp contrast with the immediate background so as to be easily readable (e.g. green and white, blue and white, red and white or brown and white).

B. Such street name shall be in English language and not duplicate or closely resemble the names of other streets within Greene Township, adjoining municipalities, the same postal zip code or the same emergency services district unless such street is a direct extension of an existing named street. The Pike County County 9-1-1- Office, or such other successor agency as shall be assigned responsibility for emergency services coordination within Pike County, shall be consulted in approving street names and shall be notified of all final names approved by the Township Board of Supervisors. All direct extensions of existing named streets shall bear the same name, regardless of municipality, at least as far as the next major intersection.

C. Should the owner or owners of any street, upon written notice from the Township Board of Supervisors, fail to name such street or erect the required signage within the time periods provided, the Township Board of Supervisors shall do so on its behalf and may assess the costs thereof to the owner or owners, or in the absence of documented owners, to the adjoining in such equitable manner as the Board shall determine.

D. The Board of Supervisors shall also, using the above procedures, order the renaming and new signing of existing public or private streets possessing names that duplicate or conflict with names of other named streets within Greene Township, adjoining municipalities, the same postal zip code or the same emergency services district.

E. All continuous streets shall bear the same name between major intersections, regardless of municipality. Existing streets shall, within sixty (60) days of the effective date of this Ordinance, be renamed and newly signed to conform to this standard, using a street name acceptable to all municipalities or owners or, in the absence of such agreement, the name first assigned to such continuous street by an involved municipality or owner, as evidenced by properly erected signage. Should these procedures be inadequate for determining a common name within sixty (60) days of the effective date of this Ordinance, the matter shall be automatically be referred to the Pike County 9-1-1 Office, or such other successor agency as shall be assigned responsibility for emergency services coordination within Pike County, for resolution. The Township Board of Supervisors shall, within sixty (60) days of such referral, implement such street name changes as are recommended.

05. Required building numbering.

A. From and after the effective date of this Ordinance each existing or new dwelling unit and each existing or new business building shall be numbered in accordance with this Ordinance. The Pike County 9-1-1 Office, or such other successor agency as

shall be assigned responsibility for emergency services coordination within Pike County, shall be responsible for assigning numbers to dwellings and businesses and each occupied lot or parcel. Any owner of property on which there exists a dwelling unit or a business building, who does not receive such an assigned property numbers, shall apply to the Pike County 9-1-1 Office for one.

B. The Pike County 9-1-1 Office shall change the number of a dwelling or business by sending a notice to the owner notifying the owner of the new number assigned by mail, or by posting the notice on the property. The owner of the property receiving such notice shall cause the numbers to be changed within thirty (30) days of receipt or posting of such notice.

C. No building permit or other permits for property improvements shall be granted by Greene Township until such assignment has been made and evidence of the same provided to the Greene Township Secretary.

D. The Pike County 9-1-1 Office, or such other successor agency as shall be assigned responsibility for emergency services coordination within Pike County, shall also have the authority to change numbers for the purpose of the orderly numbering of addresses. It shall change the number of a dwelling or business by sending a notice to the owner notifying the owner of the new number assigned by mail, or by personal service, or by posting the notice on the property. The owner of the property receiving such notice shall cause the numbers to be changed within thirty (30) days of receipt or posting of such notice.

E. Building numbers shall be in Arabic numerals or shall be the English words for numerals, and shall be of durable materials. Each digit or letter shall be at least four (4) inches in height on buildings or three (3) inches in height on mailboxes or other posts within the highway right-of-way. The colors shall be in contrast with the immediate background so as to be easily readable. Numbers shall be located and placed so as to clearly identify the structure containing each dwelling unit or business in accordance with the following regulations:

- 1) The numbers shall be placed in a conspicuous place so as to clearly identify the location of the dwelling unit or business.
- 2) The placement of the numbers must be such that the numbers can be seen and read from the sidewalk (if any) in front of said dwelling unit or business, from the traveled portion of the street, and from the opposite side of the street.

- 3) The number may be placed upon the structure containing the dwelling unit or business or upon the mailbox or upon a fence, wall, post, rod or other type of fixture of substantial nature such that the number shall clearly indicate the location of the dwelling unit or business in accordance with the requirements of this section.

F. It shall be unlawful to cover or conceal, or to permit the sight obstruction of the numbers required to be displayed by this Ordinance. It shall further be unlawful to post other numbers that would be confusing. All old numbers shall be removed when a new number has been assigned in accordance with this Ordinance.

06. Definitions.

The following definitions shall apply to this Ordinance:

Owner: The term "owner" shall include legal owner, equitable owner, lessee or tenant, occupant and trustee in possession.

Business: A building or portion of a building designed and occupied by a nonresidential, commercial, industrial, institutional, governmental or other nonresidential use.

Dwelling Unit: A building or portion of a building designed to be occupied by one family for human living quarters.

Major Intersection: An intersection of Township or State highways or any combination thereof.

Street: A highway, road or other vehicular way of at least two-hundred (200) feet in length that serves as a thoroughfare or access for two (2) or more dwelling units or business buildings.

07. Exemptions and waivers.

The following buildings and uses shall be exempt from the requirements of this Ordinance:

A. Farm buildings and structures that are necessary to a farm use except that buildings used for the retail sale of products grown on the farm and farm residences shall be numbered.

- B. Home-based businesses at the same address.
- C. Buildings, structures, uses accessory to the primary use of a commercial, industrial, institutional governmental or other nonresidential use or structure.
- D. Unoccupied farm land lots or acreage containing no dwellings or businesses.

The Township Board of Supervisors may also, by resolution and for good cause, waive any of the requirements contained herein or establish additional classes of exemption.

08. Fees.

The Township Board of Supervisors may, by resolution, establish and from time to time revise fees applicable to building numbering and street naming under this Ordinance. Any such resolution shall specify the party responsible for collecting such fees, which parties may include the Pike County 9-1-1 Office, or such other successor agency as shall be assigned responsibility for emergency services coordination within Pike County.

09. Violations.

Any person violating the provisions of this Ordinance shall be subject to a fine of not more than Three Hundred (\$300.00) Dollars and costs of prosecution, and, in default of payment of said fine and costs, to imprisonment for not more than thirty (30) days. Each day of violation shall be considered a separate violation. Such proceeding shall be enforced by summary proceeding brought in the name of Greene Township before a Pennsylvania District Justice having appropriate jurisdiction. Responsibility for enforcement of this Ordinance shall rest with such official as may be designated by resolution of the Greene Township Board of Supervisors or, in the absence of such designation, with any peace officer or officer of the court. The Greene Township Board of Supervisors shall also be authorized to pursue such civil remedies as may be available under Commonwealth law including securing of an injunction to enjoin a property owner or other violator from continuing a violation or engaging in action that would constitute a violation.

10. Separability.

If any sentence, clause, section or part of this Ordinance is found to be unconstitutional, illegal or invalid, such finding shall not affect or impair any of the

remaining parts of this Ordinance. It is hereby declared to be the intent that this Ordinance would have been adopted had such part not been included.

11. Effective date.

This Ordinance shall be effective immediately.

ENACTED AND ADOPTED, this 5th day of August, 2009, by the Supervisors of Greene Township.
